

Indiana Youth Advisory Board  
 Program Census Report  
 ATTACHEMENT J

The IYAB program census report provides a yearly total of youth IYAB members and participants who participated in IYAB meetings, activities or events within their IYAB regional board service area. IYAB members are defined as current or former foster youth who have completed and sign an IYAB application, fully participates in all IYAB sponsored events/activities etc., with voting privileges. IYAB participation is defined as any youth who meets eligibility to become a board member and may participate in IYAB meeting and events who have not applied to become an IYAB member.

This census also includes total IYAB executive board members. Please note Members of the executive board must be IYAB members.
